

# TRADING COMPLIANCE POLICY

นโยบายการปฏิบัติตามข้อกำหนดในการซื้อขาย

## QRS Global - Trading Compliance Policy

### 1. Policy Statement

QRS Global LLC is committed to maintaining fair and transparent trading practices in accordance with international brokerage standards and Liquidity Provider (LP) agreements. This policy aims to prevent all forms of abusive, manipulative, or unethical trading behavior. Any breach of this policy may result in disciplinary action, including account suspension or termination.

### 2. Scope

This policy applies to all clients, traders, partners, and representatives who use QRS Global's trading platforms and services.

### 3. Prohibited Trading Practices

The following behaviors are strictly prohibited and considered violations of QRS Global's trading terms:

- **Price Latency Arbitrage:** Exploiting delays in price feeds or server latency to gain unfair profit.
- **Quote Manipulation:** Placing trades based on price feed discrepancies or stale quotes.
- **News Exploitation:** Executing large trades during major news events with the intent to exploit abnormal volatility or pricing errors.
- **High-Frequency Scalping in Illiquid Periods:** Repeated opening/closing of positions within milliseconds, especially during market gaps or widened spreads.
- **Hedging Across Accounts (Cross-Account Arbitrage):** Simultaneously placing opposing trades across different accounts or brokers to neutralize risk and manipulate exposure.
- **Unauthorized EA/Bot Usage:** Using automated systems to exploit platform mechanics or bypass risk controls without prior approval.
- **Platform Abuse:** Taking advantage of software bugs, errors, or unintended behavior of the trading system.
- **Arbitrage Trading:** Exploiting price differences between assets, platforms, or brokers in a way that violates fair trading principles, especially when executed at high frequency or without market risk.
- **Bonus Arbitrage:** Using the 20% deposit bonus or other promotional credits solely to execute risk-free trades, withdraw profits without genuine exposure, or cycle volume to unlock bonus amounts.

### 4. Monitoring and Investigation

QRS Global's Compliance Department continuously monitors trading activity through:

- Trade timestamp and execution logs
- Account performance patterns
- IP address monitoring and device fingerprinting
- Cross-account behavioral analysis
- LP-reported anomalies and trading flags

## 5. Disciplinary Actions

Upon detection of a violation, QRS Global reserves the right to enforce any of the following actions without prior notice:

- Profit nullification from trades violating this policy
- Revocation of bonuses or promotional benefits
- Account suspension or permanent termination
- Restriction from participating in future promotions
- Reporting to relevant legal or regulatory authorities if warranted

## 6. Client Responsibility

All clients are responsible for ensuring that their trading strategies and tools comply with QRS Global's policy. Clients are encouraged to:

- Seek approval for advanced trading systems or EA usage
- Avoid risk-free strategies that abuse platform structure
- Contact QRS Support if unsure about a strategy's legitimacy

## 7. Policy Amendments

QRS Global reserves the right to amend this policy at any time in accordance with regulatory or LP requirements. All updates will be published on the official QRS website or notified via email or platform message.

## 8. Contact Information
